Sponsorship Opportunities

Each year, we support the communities in which we live and work by raising funds for local and national organizations through the CARES Open Golf Tournament. We are proud to announce the following beneficiaries for this year's tournament:

GIGI'S PLAYHOUSE SAN DIEGO

Gigi's Playhouse San Diego offers educational, therapeutic, and career building programs to individuals with Down Syndrome, their families, and the community. Gigi's Playhouse hopes to become a safe place where all are welcome and wants to empower individuals and families to reach their highest potential. The achievement center's research-based curriculum works towards advancing literacy, math skills, gross and fine motor skills, improving low muscle tone, building self-esteem, preparing for the workforce, and more. All of Gigi's Playhouse services are free of charge, fostering acceptance and awareness and providing networking resources for parents, siblings, and the community.

THE HONOR FOUNDATION

The Honor Foundation is a unique transition institute created exclusively for Navy SEALs and the U.S. Special Operations community. The organization provides a clear process for professional development and every step is dedicated to preparing these outstanding men and women to continue to realize their maximum potential during and after their service career. Often underutilized in the private sector of business and entrepreneurship, The Honor Foundation's programs allow industry to effectively deploy this incredible talent pool.

YOUTH ASSISTANCE COALITION

Youth Assistance Coalition was founded in 2017 by a group of motivated volunteers who saw the pattern of youth homelessness in San Diego and wanted to break it. Youth Assistance Coalition focuses on a community approach to breaking the cycle of homelessness and leverages powerful partnerships with many other organizations in San Diego who are also committed to this goal. Youth Assistance Coalition strives to positively impact the lives of youth experiencing homelessness through empowerment, mentorship, and community collaboration in order to provide transformative opportunities. The organization is 100% volunteer-run.
